

# Loscano

## HIGH ALTITUDE WINES

### CAPRICCIO, 4L 2011

As an homage to classic Bordeaux wines, Loscano's Capriccio is a blend of our estate grown Malbec, Merlot and Cabernet Sauvignon. With expressive aromas of sweet and spice and a pleasant red fruit palate, this wine is sure to impress. Our grapes are grown on high-altitude heritage vines, selectively managed to produce a low yield of high-quality fruit. The varietals benefit from robust, loamy soil and arid-clean air, and are nurtured by the pure water from the Andes mountains.

#### VINIFICATION »

- > Grapes are picked by hand and destemmed
- > 3 days of cold maceration
- > Fermented in small stainless steel tanks

#### TASTING NOTES »

A complex, well-balanced wine in a deep red color, Capriccio delights the senses with fresh herbal aromas of tea leaves and snuff, excites the palate with notes of spice and plum jam, lingers with a gentle tannin pull, and finishes with hints of oak.

Sustainably and naturally produced and minimally processed in the high elevations of the Andes Mountains, Loscano Wines represent integration with nature and resilience in a homeland known for great wine.

#### AGING »

Varietals were aged separately for 8 months in second-use French and American oak. Blended together then filled in 4L packs directly at the winery.

#### ANALYTICAL DATA »

Alcohol: 14.5% > Residual Sugar: 2.65 G/L

Total Acidity: 5.66 G/L > pH: 3.51

Cases Produced: 250

60% Malbec, 25% Merlot, 15% Cabernet Sauvignon

» This Loscano wine is available in a 4L refill insert for use with our exclusive wine-on-tap partner system, the Vinocopia Barrel. The packaging takes our sustainability commitment one step beyond the wine itself by reducing the carbon footprint by 60% over bottles. Enjoy this delicious estate wine on tap from the craftsmanship of the Vinocopia Barrel. Protected from heat, light and air, the wine stays fresh up to 60 days after tapping.
